1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows: P. 135, the last 2 lines have been canceled. P. 117, lines 24 and 25 (all the material relating to compound 172) have been canceled. The Table now will not contain any reference to compound 172.

The above 2 deletions have been made because compound 172 is not within the scope of the invention.

In the amendment to p. 1, line 4 at line line 2, after "1999" -- now abandoned-- has been inserted.

The following is an examiner's statement of reasons for allowance: See applicants amendment which has removed the overlap between the instant claims and those in US Patent 6,002,008.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to B. Dentz whose telephone number is (703) 308-4544.
